Feeding Guide

Daily Feeding Guide:

Helpful Tips

- **These amounts are a starting point only. Your pet may need less or more food to maintain proper weight. Adjust as needed. If you are unsure ask your veterinarian.**
- Feeding this food for the first time? Mix increasing amounts of your pet's new food with decreasing amounts of the old food over a 7-day period.
- **Keep fresh water available at all times!**
- To prevent suffocation, keep this plastic bag out of the reach of pets and children.

Active adult

Weight of Dog	Amount per Day
5 lb (2,3 kg)	1/3 cup (40 g) - 1/2 cup (60 g)
