### Feeding Guide

#### Daily Feeding Guide:

#### Helpful Tips

- Use these guidelines to offer treats to adult dogs without changing the amount of pet food.
- **For dogs that tend to gain excess weight, these amounts are intended as a starting point only and should be adjusted to maintain optimum body weight.**
- **When feeding the recommended number of treats, reduce food intake by 10%.**
- Light Adult treats are formulated to complement Science Diet® Adult Light dry and canned pet food products.

- To prevent suffocation, keep this plastic bag out of the reach of pets and children.
